INSTRUCTIONS TO SUBMIT ONE ABSTRACT FOR POSTERS OR PAPERS

How to submit

The submission must be carried out through the EasyChair Platform, in the link <https://www.easychair.org/conferences/?conf=aicveip2012>, completing the following fields:

- Author(s);
- Title;
- Abstract: up to 500 words;
- Keywords (3);
- Topics (select one theme only)
- **In the option “Upload Paper”, select the field “abstract only”, since its not necessary, at this stage, to make any upload.**

In the peer review process, two members of the Scientific Committee will be in charge of assessing your work. Should they have any suggestions or comments to make about your abstracts, they will be specified and then they will be sent for you to read. Should your work be accepted by both members of the committee without any comments in the first stage of the revision, your contribution will be included in the Conference Abstracts Proceedings. If one or both members of the Scientific Committee request document revision, you must make the appropriate changes in the text and comply with the deadlines set by the Conference Organisation, and then send the document for a second assessment.

Your work will not be accepted for publishing in the Conference Abstract Proceedings in the following cases:

- When neither member of the Scientific Committee accepts it in the first stage of the revision.
- When the new version sent for revision in the second stage is not accepted.

If you register for the Conference and your contribution is accepted by the Scientific Committee, you can then present your work at the Conference through an oral paper or a poster. The full text of your contribution will be published in the Conference Proceedings website (ISBN) only if you attend to the Conference. For this edition, the document must include a maximum of 5 colour images, inserted in accordance with the guidelines of the **Model File** available at the Conference website. There is no limitation for black and white images, as long as the final document does not exceed 5 pages in A4 format. Should the author(s) consider it necessary, you may include more colour images for the website edition of the Conference Proceedings, as long as the final document does not exceed 5 pages in A4 format.
